<p style="text-align: center;"><b>DECEMBER 2006 DARLINGTON COUNTY</b></p> <p style="text-align: center;"><b>Based on stakeholder consultation and taking into consideration resource and political constraints, the following emission reduction strategies remain under consideration. The County will continue to evaluate the air quality within the county and may implement one or more of the following measures under consideration.</b></p>							
Ozone Action Coordinator	A county staff person responsible for dissemination of ozone forecasts	Betty Tanner continues to monitor the daily Ozone levels for our region. Information on high days is sent to each county department though out intra net system. So far the system has been very susseful.	March 5, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
County Ozone Committee	County Department Heads and the Ozone Action Coor. Are developing for implementation, a countywide Ozone Reduction Plan. The plan will be made available to local business and industry for possible adoption for their programs. Plan preparations will continue thru out the year in preparation for the up coming 2004 season.	All Departments heads receive information on ozone reductions . Each departments is responsible to reduce ozone emmission to the laowest levels possible.	April 15, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Use of Bio-Diesel/Alternative Fuels	Convert our diesel fleet to Bio-Diesel and low sulfur fuels.  Currant data shows we can expect a 20% decrease in emissions by using this product. We estimate by last years usage we will use 123,272 gallons of fuel in the up coming budget year.  The alternative fuel has been in use for the last six months with no harmful effects to the vehicles. Darlington County will continue the use of the product.	Alternale fuel program has become an issue due to lack of availability, and the cost of the fuel. We have experienced some major issues with bio-fuels. Our Vehicle Center Center is working on these problems.	7/1/2003  December 5, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Reduction of Idling or No-Idle Policy for county vehicles	Department Heads will develop and implement interdepartmental plans to reduce or eliminate idling time on vehicle and maintenance equipment.  The county departments are in the process of writing the policies at this time. The plan should be ready June of 2004.	Departments are using internal plans to reduce ozone on high level days, only high prorty job are do on high ozone day. No idle policies are used by each departmen as much as psooible	7/1/2003  December 5, 2003	n/a directionally sound	n/a directionally sound	n/a	
Stricter controls of Illegal/Unauthorized outdoor burning.	Darlington County's Code Enforcement, Fire District, Emergency Services and Sheriff's Department will work in combination with State Agencies to develop this action.  Information collected on this issue will be forwarded to Darlington County Council for consideration involving this issue.	Darlington County has turned over the enforcement of outdoor burning to the Forresty Commission. Their Law Enforcement Officer are fining illegal burning and are very susseful in reducing outdoor burning	7/1/2003  December 5, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Fleet Replacement	Darlington County's Materials Manager and Vehicle Maintenance Contractor will develop a plan to purchase replacement vehicles. Future RFP's should place priority on vehicle and equipment with the latest emission reduction standards.	We have found most equipment is using Federal Emission Standards, our Vehicle Service Center is responsible for ensuring best emission reduction standards are followed during the purchasing process	July 1, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Community Awareness and Education	Awareness and Education will include public speaking, distribution of educational materials and increase media alerts promoting clean air.  The Darlington County School Superintendent will be contacted and requested to encourage the teachers in this county to participate in training classes provided by the SC DHEC Air Quality Bureau, and include the information in the school curriculum. TV 15 news interviewed department on use of Bio-Diesel. Darlington County Continues to education the public and industries. Ozone reduction talks are schedule for industries as requested. Procedures and DHEC fact sheets are disbursed on a regular basis	03-30-03 R. Brock spoke at Joint City/County meeting in Hartsville; Rep's from towns of Lamar & Society Hill, cities of Hartsville & Darlington & Darlington Co. present. Sen. G. Molloy & Rep. J. Lucas attended. Ozone awareness presentation done, followed by discussion on potential negative economic impact of non-attainment. 04/04/03 - Presentation for Sonoco Products -Ozone Awareness. 05/14/03 - Darlington Co. Ozone Steering Committee task Emergency Services to produce three-page brochure with Ozone info. specific for Darlington Co. 08/01/03 - Brochure printed & available for distribution. 12/03/03 - County ozone staff attended training at SC DHEC Air Quality. New programs will be forwarded to school district for consideration for curriculum. First contact will be around 01/01/04. 02/10/04 -Presentation to Hartsville Cancer Survivor Grp 03/02/04 - Presentation to Senior Citizen Grp - Pine Ridge 03/03/04 Dr. F. Hopkins, Dir. of Curriculum & Instruction informed office she assigned science study personnel to distribute & recruit staff for the teachers programs. TV 15 news interviewed department on use of Bio-Diesel. Darlington C	June 25, 1905	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Energy Conservation	Energy conservation plans will be developed that directs county departments to reduce the overall yearly energy usage by 5-10%. Our currant data shows 5,932,976 kwh used, a 5% reduction will be 296,648 kwh.	Darlington County continues to lead by example is energy use reduction.Recently "all out" light switches were installed on each floor of the Courthouse. These switches were installed beside each elevator door the last person leaving the floor is asked to cut off all lights as they leave.	July 1, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Restrict or change the time of use of landscaping and lawn mowing equipment	County Department Heads will receive daily ozone alerts from the Ozone Action Coordinator, on days with high alerts these activities are being rescheduled.	The Ozone Action Coordinator notifies Department Heads of high Ozone days As specified in Section I	May 1, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Reduction in unnecessary use of on-road vehicle use and conservation of fuel.	County Department Heads will monitor vehicle and fuel usage on high alert days and decrease departmental use as much as possible.	No idle, policies are department specific, each department plans daily activities are on alerts	May 1, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3
Promote and encourage employees to eat in or carpool for meals during work hours.	Provide employees with facilities to eat in during working hours and flexible lunch hours to encourage carpooling for meals.	Employees are asked to eat in or share the ride during luch breaks. Each county building had a break area for employee to eat in if they wish to.	Feb. 12, 2003	n/a directionally sound	n/a directionally sound	n/a	See Comment #3

<p><b>Comments:</b></p> <p>1. December 2004 - SC EAC SIP - activity not quantified for several reasons (first) in accordance with EAC Protocol, after all adopted Federal and State controls were accounted for in the modeling, it was determined that local controls were not necessary to demonstrate attainment of the 8-hour ozone standard. Measures were submitted by the local areas to show their continued support and commitment to the EAC process. (second) this activity is directionally sound and should provide air quality benefits and in some cases measurable results. The progress toward implementing this activity and the benefits derived will be documentd as a part of the ongoing reporting requirements.</p> <p>2. December 2003 - Progress Report - See - <a href="http://www.scdhec.gov/eqc/baq/html/eap_dpr_eac.html">http://www.scdhec.gov/eqc/baq/html/eap_dpr_eac.html</a> - additional information provided by the county to include "findings", "advantages/disadvantages", "recommendations", "costs", etc....</p> <p>3.
